ONLINE PAYMENT SYSTEM

Dear Parents,

We are delighted to announce that we are now in a position to offer the facility for parents to make payments online for school activities such as school trips, residential trips, clubs and school fund contributions.

This will enable you to pay for school activities in a similar manner to online shopping, making it easier for you. It will ease the problems of finding your cheque book or having to visit the ATM for cash to pay for activities.

Our new Schoolmoney.co.uk facility will allow for both parties to experience a more streamlined, cost-effective and efficient payment collection system in a secure and safe environment.

You will be sent the login details by email and/or text once a payment is due for your child. To ensure that we all experience maximum benefit from this service, we would ask all parents to notify us if you have recently changed your mobile number and/or email address.

Every time there is a payment due for a school trip, residential trip, club or school fund, you will receive a text message from the Academy inviting you to access the website as an option to make a payment for an activity.

Thank you in advance for your cooperation in this matter.

Yours sincerely

Mrs E Bone
