ACTIVITY	COST £	FUNDING CONTRIBUTION	IMPACT SOUGHT	OUTCOME OF FUNDING
Life Education for all year groups	£670	£670	In Foundation Stage and Key Stage 1 (<i>Nursery to Year 2</i>) they learn about keeping their bodies healthy, feelings , being a good friend and the safe use of medicines . At Key Stage 2 (<i>Years 3 to 6</i>) the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including medicines, alcohol and tobacco . In addition, children learn about choices that can affect health and well-being, skills of friendship and how to cope with bullying and peer pressure .	Here has been an increased understanding in children's knowledge of how to keep safe and healthy. Children can talk with confidence about staying safe, keeping safe, healthy eating and physical and mental fitness. They understand that the choices they make will impact on their adult lives.
