

30<sup>th</sup> October 2019

Dear Parents

At the Learning Academy Partnership we ensure that all children are safeguarded and staff are fully trained to ensure that the children are safe and stay safe.

During November, the CAP UK (child assault prevention) team will be working in the Partnership with all of the children. The children join in assemblies and workshops to help them learn how to stay: Safe, Strong and Free. It helps children understand how to safeguard themselves.

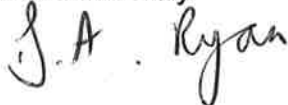

CAP UK works in most schools across Devon and Torbay and visits us every three years. It is time for our next visit and refresher sessions.

The sessions are delivered through puppets and role play and the children have fun. The team is fully trained and also trains the Academy staff to ensure that we can follow up the work throughout the rest of the school year.

Like other meetings for parents, we will be holding a CAP UK workshop for parents. It will give you a chance to learn about child safety and what the children will be learning. It is really important that you come along and find out how you can support your child in making the right decisions in order to stay safe. The parent sessions are always fun and it's a great way to meet other parents and families. The parent workshop will take place on **Thursday, 14<sup>th</sup> November, 2pm to 3pm** in our Qube building. Please complete the slip below to let us know if you are able to attend.

We look forward to seeing you on Thursday, 14<sup>th</sup> November.

Yours sincerely

Miss D Ryan  
Head of Academy
