

10th December 2019

Dear Parents

School lunches

ISS, our school's lunch provider, have informed us that as from the start of the New Year (January 2020) there will be an increase in the cost of the school lunches. The price will then be £2.30 per meal.

According to our records, the last increase to the current price of £2.15 per meal was back in 2015.

As there are no credit facilities with ISS for the school lunches we would request that the lunches are paid for in advance. Our preferred choice of payment method would be online at www.feedinghungryminds.co.uk/online-payments where you will also be able to view the menu choices and pre-order your child's meal. However, should you prefer to make payment through the Academy office you can do so either with cash or cheque (payable to ISS Mediclean).

I can confirm that all children in KS1 will still be entitled to a Universal Free School Meal.

Yours sincerely

Miss D Ryan
Head of Academy
