

14th January 2020

Dear Parents

Life Education

We will be receiving a visit from the Life Education Mobile Classroom on Thursday, 6th and Friday, 7th February 2020.

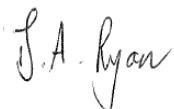

Life Education is a charity providing health and drug education support to schools. The fun, interactive and age-appropriate programmes help children to understand the **wonders of the human body** and how to look after it. In classes R, 1, 2 and 3 they will learn about **healthy eating**, being a **good friend** and the **safe use of medicines**. The experience and trained educators help Classes 4, 5, and 6 to consider the effects and risks associated with the use of drugs, including **medicines, alcohol** and **tobacco**. In addition, children learn skills of **friendship** and how to cope with **bullying** and **peer pressure**. The specially equipped classroom provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum.

The school is subsidising the cost of the visit, however it will be necessary to ask for a small voluntary contribution of £2 per child to be made by Tuesday 28th January. Children will not be treated differently according to whether or not their parents have made a voluntary contribution.

Payments can be made via our online payment system, www.schoolmoney.co.uk. You will receive a text message from School Money this afternoon setting out payment details. We are also able to take payments by credit or debit card in the office.

We would like to invite parents to visit the Life Education Mobile Classroom on Friday, 7th February at 2.30pm to find out more about the experience your children have had. The session will last 20 minutes and will start promptly. Please indicate on the reply slip overleaf by Tuesday 28th January if you would like to attend.

Yours sincerely

Miss D Ryan
