

5th February 2020

Dear Parents

World Book Day 2020

To celebrate reading, World Book Day is back with a bang on 5th March, offering a brand new line up of brilliant titles from some of the nation's top children's and Young Adult authors and illustrators. Reading for pleasure is a high priority for us at Ilsham Academy, so we are keen to get involved! We have lots of wonderful activities planned to celebrate this important day, including 'Stop everything and Read!' where every teacher will drop in to each class during the day and read their favourite children's story.

Every child will come home from school with a £1 voucher for you to spend on an exciting new book, in any local bookstore.

We would like to celebrate the power of the bedtime story, so this year, instead of buying a book character costume, the children can come to school dressed in their pyjamas! We will be celebrating the quality time when we use our storyteller's voice to read aloud to the children and together become totally immersed in the excitement and wonder of a great story.

Yours sincerely

Mrs Smith
Literacy Specialist Teacher
