

15<sup>th</sup> May 2020

Dear Parents,

I hope this email finds you and your families well. I am writing to keep you updated about the possibility of schools opening again on June 1st.

As I shared in my letter on Tuesday, the Government believes that it may be in a position to implement a phased re-opening of schools from 1st June. This will start with pupils of critical workers, then pupils in Nursery, then Reception, then Year 1 and then Year 6 only. The Government will make a final announcement on the 28th May.

We are currently carrying out risk assessments to evaluate if and how we can do this safely. In order to help us in our planning phase, we would appreciate it if you could complete this short survey to give us an indication of numbers of pupils that would be attending.

You only need to complete this survey if:

- You have been classified as a critical worker by the government - please check guidance <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>
- Your child has a social worker
- You have a child in Nursery
- You have a child in Reception
- You have a child in Y1
- You have a child in Y6

If your child does not meet any of these criteria, please do not fill in the form.

Please can you let us know, by indicating on the form, if you intend to send your children during the second half of the summer term. You will need to complete this form for **each child** you have in our school within these year groups. You will also see on the form that there is space for additional comments so please share your thoughts with us. Here is the hyperlink to the survey for you to complete : <https://forms.gle/MEqxYsnw2ePnWK299>

Please would you be able to complete it by this Sunday coming so that we can plan appropriately.

**TOGETHER WE EMPOWER EXCELLENCE**

Thank you for your support with this and can I yet again reassure you, that any decisions we make about opening, will be based on pupil and staff safety.

Best wishes and take care of yourselves,
