

Monday June 1<sup>st</sup>, 2020

Dear Parents,

I hope that this letter finds you and your family well and that you had a good half term and enjoyed the amazing, local weather in some small way. As promised in my last letter, I am writing to you with further details about our adapted approach to home learning for the foreseeable future.

Following feedback from lots of you and in discussion with your child's class teacher on the phonecalls home in recent weeks, we have adapted our approach and hope that you find this new approach provides more structure for you and your child as we move into the last half term of the school year.

Each Monday, a letter will be uploaded onto the school website from your child's class teacher explaining the week of home learning ahead. Alongside this, resources will also be uploaded for the week. These may be in the form of resources for your child to look at on screen or worksheets for you to print off if you can or hyperlinks to specific websites. In the letter, there will also be a brief overview of the week's work. You will see that the resources are clearly labelled with either the day of the week or 'lesson 1' etc. If you cannot access the resources online, please contact the school office and we can print them off for you.

To find the resources, go to the academy's website at [ilsham-lap.co.uk](http://ilsham-lap.co.uk). Then go to the 'Parents' tab and then click on the 'Supporting families' tab. Then, go to the folder for your child's class e.g. 'Rowans'. Under the heading, 'Summer Term 2<sup>nd</sup> half' is where you will find the resources for each week moving forward. On a Friday afternoon, these resources will be taken down and next week's will be posted.

All of the resources will be uploaded from 8.30am this morning and this will take some time for Mrs Lea to action so we thank you for your patience while this is happening.

As always, we very much appreciate your feedback and look forward to hearing from you. As always, you can share the home learning your child does on the class email. This form of communication had proved really successful over the last few weeks and we thank you for your engagement with it.

As always, look out for your class newsletter each Friday on the academy website, too.

Stay safe and look after each other and thank you all for your support and understanding. We really do have the most amazing school community which I am very proud to be a part of.

Best wishes,

A handwritten signature in black ink that reads 'D.A. Ryan'.

Dawn Ryan  
Head of Academy
