ACTIVITY	COST £	FUNDING CONTRIBUTION	IMPACT SOUGHT	OUTCOME OF FUNDING
To work in partnership with Premier Sports. The package will include a skilled, specialised PE teacher to coach and lead Ilsham boy's football team and a range of extra-curricular clubs each term..	£5580	£5580	<ul style="list-style-type: none"> - To improve participation in intra and inter school sports. - Pupils to receive regular coaching from a specialist PE teacher to improve their confidence and their physical and mental wellbeing. - To ensure that pupils whose parents cannot afford clubs, have the opportunity to attend free of charge. 	The result of this funding has been that more boys have participated in the football club. The club has also been free for children and this has had an impact on PP children. The children in this team have also been able to play in league and cup competitions and this has boosted self esteem and morale within a team environment. Specialised teaching has supported the delivery of quality PE provision

<p>Each class will receive a specialist teacher to deliver sessions on a specific sport or set of skills. KS1 will have a focus on fundamental movement skills.</p>			<ul style="list-style-type: none"> - To improve pupils knowledge and understanding of how to live a healthy and active life which will benefit their physical health. 	<p>alongside the class teacher. A focus on fundamental movement skills lower down the school has meant that we have seen a considerable improvement in co-ordination and activity levels.</p>
<p>Life Education for all year groups</p>	<p>£775</p>	<p>£525</p>	<ul style="list-style-type: none"> - In Foundation Stage and Key Stage 1, (<i>Reception to Year 2</i>) they learn about keeping their bodies healthy, feelings, being a good friend and the safe use of medicines. - At Key Stage 2, (<i>Years 3 to 6</i>) the experienced and specially trained Educators help pupils to consider the effects and risks associated with the use of drugs, including medicines, alcohol and tobacco. In addition, pupils learn about choices that can affect health and well-being, skills of friendship and how to cope with bullying and peer pressure. 	<p>Children have a deepened understanding of how to live with a healthier lifestyle and they have an increased awareness of how to stay safe. Within each session, children across all year groups learned about the lasting impacts of positive choices on health and wellbeing.</p>
<p>Outdoor based residential</p> <p>Grenville House for Year 4 pupils</p> <p>Ormington Bay residential for Year 6 pupils</p>	<p>£530</p> <p>£530</p>	<p>£430</p> <p>£430</p>	<ul style="list-style-type: none"> - To ensure that two teachers attend the residential. - To improve the provision that we have, for outside learning - experiences, further. - To inspire a love of adventure that will stay with them and help them develop into fit, active and healthy adults - To support and involve the least active or least confident pupils within additional curricular and extra-curricular learning opportunities. - To give pupils the experience of mountain biking, archery, high ropes, kayaking and being part of a team quest. - To learn new skills and build on their confidence, independence and self-esteem. - To improve their emotional health and 	<p>Residential for the Year 6 pupils gave lots of the children the chance to participate in activities that they have never been involved with before. Confidence and resilience for these children improved and we saw an improvement in relationships between peers which aided their learning throughout the year.</p>
