DFE PERFORMANCE TABLES 2018 AND 2019

21st January 2021

Dear Parents,

I hope that this email finds you and your families well at this very difficult time. I just wanted to bring you a quick update ahead of my longer weekly newsletter that I will be sending home tomorrow.

In school, we are continually reflecting on and refining our risk assessment to ensure that the safety and well-being of children and all school staff is our number one priority. We have tightened measures further in school as I shared with you in the updated parent risk assessment last week. This is in response to the current daily numbers, the new variant and cases locally. Thank you to those who are only sending children in on the days that it is absolutely necessary. By reducing numbers in school, we can help to keep our community even safer.

Going forward, our key messages to parents are:

- Please only send your child to school if the place is needed to support a vulnerable child or to enable key worker parents to work. If you can keep your child at home, please do so. If you have one child isolating (due to a bubble closure), please also keep other siblings at home.
- If anybody in the household has symptoms of COVID-19 (cough, temperature, loss of or change to smell or taste), the entire household must isolate whilst the symptomatic individual is tested. If you are part of a support bubble, the support bubble should also isolate.
- Please do not send children to school with any symptoms of illness even if these are not classic COVID-19 symptoms. These include: *loss of appetite, diarrhoea, nausea, vomiting, extreme tiredness, headaches, joint pain, muscle ache, sore throat, sneezing, altered consciousness or seizures.*
- Please keep children at home until their symptoms resolve or if their symptoms develop into a cough, temperature or loss of smell/taste, then continue to self-isolate and arrange a test.

Adhering to these measures is vital in preventing the onward transmission of the virus. They will also support in enabling our school to continue to operate, offer an education to your children and a service to key workers with the minimum of disruption.

Thank you to all of our families who are continuing to support their children to engage with the remote learning their teacher has set daily. We know this is extremely challenging with other family and work commitments. Do keep in touch and be kind to yourselves. We hope that you are starting to find some routine that works for you and your family and remember that we are here to support you in whatever way we can. Please do not hesitate to contact us if you need anything at all.

Thank you for your continued support and understanding.

My very best wishes,

A handwritten signature in black ink that reads "D. Ryan".
