Re:- What a great first week!

Dear Parents,

I hope that this letter finds you all well – what a great first week we have had. It has been wonderful to see more and more children settling day by day and we very much recognise that some of our children may take a little longer to get back into the rhythm and routine of school. If you need any support with this or anything else, please always make contact with us.

I wanted to also thank you, on behalf of the whole team, for following the guidelines we have put in place that help to ensure that we all stay as safe as possible. Drop-offs and pick-ups are relatively smooth but I would just like to encourage just one parent to do this as this limits the number of adults around the school – thank you for your support with this. I would also like to encourage some Reception and Year 1 parents not to congregate in the lane once they have picked up their children so that there is a smooth flow of people down the lane. Some parents have expressed concern to the school about this not always happening. Thank you for your support.

P.E

A reminder about P.E days is below as we have had a number of queries this week. Your child may come to school dressed in their P.E kit on their P.E days which are listed below.

Willows – Monday and Friday
Rowans – Tuesday and Friday
Beeches – Tuesday and Friday
Maples – Wednesday and Thursday
Hollies – Tuesday and Thursday
Oaks – Monday and Friday
Monkey Puzzles – Tuesday and Friday

Ordering School Lunches

If your child requires a school lunch, it is your responsibility to order in advance, please. You can do this on School Money. Orders have to be in by 11.59pm on the day before your child has their lunch. The link can be found below.

TOGETHER WE EMPOWER EXCELLENCE

If you do not book, we presume that your child does not require a lunch. Today, Mrs Yeo had to check with a significant number of families as to whether their child required a lunch or not. This is not something that Mrs Yeo will be doing moving forward as we already stated when this system came into operation in September. Thank you for your support and understanding with this and we realise that today, people may have forgotten log-ins etc.

Shakespeare Week 15th – 21st March, 2021

Next week is Shakespeare Week and we will be celebrating all things Shakespearean in some way across the academy.

If anybody would like to, I will be holding a mask making competition, just like the Art one a couple of weeks ago. I would like you to make a mask of a character from a Shakespeare play – any play of your choice and your grown-ups at home will be able to help you choose. It could be a human character, an animal character, a fairy character, a king or a queen, a goodie or a baddie. The choice is yours!

You can use any materials you like and you can either make the mask to wear or one to hold up to your face.

I can't wait to see your entries. Could these please be brought into school by next Thursday (18th March) and they can be handed to your class teacher. As before, there will be prizes for Reception, a Year 1 and Year 2 group, a Year 3 and Year 4 group and a Year 5 and Year 6 group.

The winners will be announced on Monday 22nd March. Good luck, everyone!

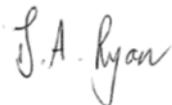

Red Nose Day – Friday 19th March

This is another day in the school calendar when we stop to pause and think of others outside of our immediate school. Today, children can come to school in their own clothes, wearing a red nose, a red wig, a red hat or they can be red from head to toe. and we would like to encourage children to bring £1 in as a donation to this wonderful cause. Thank you everyone!

And finally, have a lovely weekend. If you have any queries or concerns, please contact the school office and we will do our very best to help you.

Best wishes,

Dawn Ryan (Head of Academy)
