### Re:- Welcome back!

Dear Parents,

I hope that this letter finds you all well – what a great first week back we have had after the Easter break. The school is alive once again with focussed and hard-working children and staff as the new term begins. I also wanted to take this opportunity to thank you for supporting us in following our Covid measure as these are still very much in place at school.

I hope you find this letter useful as I share some updates below with you.

#### New staff

Since the end of the Spring term, we have had three new members of staff join us. These are listed below; we know that you will make them all feel very welcome.

Mr Morton – the new teacher for Oaks' class

Mrs Sanders – a teaching assistant who works with the Willows class alongside our other teaching assistant in the class, Mrs Boon

Mrs Lee – a teaching assistant working in Key Stage 1

Mr Morton

Mrs Sanders

Mrs Lee

#### Curriculum Overviews

These will be emailed out on Monday and will share the key learning that the children will be doing across the curriculum and in all subjects in each of our classes. They will also support if you want to do any additional learning at home or if you want ideas for reading opportunities for your child. In these overviews, you will also find the P.E days for your child's class.

### **Events for the Summer term**

Over the next few weeks, we will be tentatively sharing some dates of key events that may be able to take place `normally' in the summer term such as Sports' Days, Leavers' Service with an audience etc. We will let you know the scheduled dates very soon and then hope that we can work within Government guidelines and our own risk assessment to make them happen safely.

### **Parking**

This week, I was contacted by a parent whose child attends St Matthias Pre School, who was unable to park in the St Matthias car park as some Ilsham parents had parked in there that day. Please could I ask us to consider our neighbours and friends and not park in spaces designated for their use. Thank you.

### **Ordering School Lunches**

If your child requires a school lunch, it is your responsibility to order in advance, please. You can do this on School Money. Orders have to be in by 11.59pm on the day before your child has their lunch.

The link to order lunches can be found below.

If you do not book, we presume that your child does not require a lunch. Today, Mrs Yeo had to check with a significant number of families as to whether their child required a lunch or not. This is not something that Mrs Yeo will be doing moving forward as we already stated when this system came into operation in September. Thank you for your support and understanding with this and we realise that today, people may have forgotten log-ins etc.

And finally, have a lovely weekend. If you have any queries or concerns, please contact the school office and we will do our very best to help you.

Best wishes,

*Dawn Ryan* (Head of Academy)
