Music With Symphony Falls

Symphony falls, the school band, will help bring joy to the pupils with their performances at each of the exclusive events within the school community. Their next show will be at the christmas fair, December 2022.

Jacob states, "I enjoy the band performances and drumming." The leader of the band, Faith, quotes "I like the band because it is fun. We are able to write lyrics for song writing competitions we will be entering next year."

Next we have Beatrice, the pianist, who says, "I love the band and all its instruments. Also I love the band because of the people in it." Emilia, the co-operator, comments, "This band is great for socialising and even though it's a bit kooky it's always fun." And finally, we have Victoria-rose who states, "I enjoy the band as we have fun presenting different songs and writing music lyrics."
