HOME LEARNING

Thank you all so much for your TTRS battle contributions, Hollies have done me proud!

Please do continue to engage in weekly spelling, reading and TTRS activities as this really does support the children to make progress. Thank you for your support!

All children now have their Boom Reader log ins so please record reading on that platform.

Thank you.

Dear Parents and carers,

We have had another wonderful week in Hollies class.

This week saw our inaugural times table club and the children had a fabulously competitive time playing games, beating the clock and experiencing the official DfE pupil practice MTC site. It was great to see so many children, same time, same place next week.

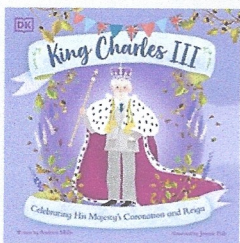

In forest school, Hollies worked in pairs and were taught different knots, once mastered, they then taught their partner the knot they had been working on. They also got to bake their own flatbreads on an open fire before loading it with delicious golden syrup and eating it. Our next session will be in 3 weeks in stead of 2 as there is no forest school next week.

We used primary and secondary sources to infer the purpose of tombs, pyramids and temples for ancient Egyptians. I was particularly impressed with how the children made sure they were using the sources 'as historians'. During lessons, we put a lot of focus on the children backing up their reasoning with evidence to ensure they are not just making assumptions based on acquired knowledge.

Finally, at the time of writing, we are yet to have our Coronation picnic, and I am crossing my fingers that the weather holds off! I am though in no doubt that we will have a totally wonderful time regardless.

Have a fabulous long weekend 😊
