Dear Parents/Carers,

We have had a very different week in Oaks class this week in terms of structure but a very productive week!

Some members of our class have completed the Bikeability course and are now proficient at cycling their bikes on the road- look out Tour de France! A huge congratulations to all of the children who have achieved this success.

As global citizens, this week the children have planned their presentations for Ms. Cleverly, our Trust CEO, as they prepare to discuss with her why they believe Ilsham should be a plastic free school. They are so passionate about the future of our planet, and I truly believe that the children in Oaks class are future world changers!

As a whole school community, we are looking forward to this weekend's historical event: **The Coronation of King Charles III**. What a special time it will be for the children to be a part of something which will have such historical significance. Some members of Oaks class wrote letters to King Charles III this week, not only congratulating him on his coronation but also putting forward their hopes for his reign and what he may be able to achieve for our country. I was so impressed with the content of each letter, and we look forward to sending these letters to our king.

I wish you all a lovely Bank Holiday weekend in however you are intending to celebrate!

I look forward to seeing you on Tuesday 9th May.
