

Dear Ilsham Academy Parents,

We hope this letter finds you well. At Ilsham Academy, we recognise the importance of instilling a love for reading in our students, and we are excited to invite you to a special event designed to nurture that love - our Reading for Pleasure Workshop.

Date: Wednesday, 6th December    Time: 2:30 pm    Venue: The Qube

The workshop aims to provide insights into how you can support and encourage your child's enjoyment of reading at home. Research has consistently shown that children who read for pleasure not only perform better academically but also develop stronger social and emotional well-being.

During the workshop, you'll gain practical tips on creating a reading-friendly environment, selecting age-appropriate books, and making reading an enjoyable family activity. This is an excellent opportunity to strengthen the reading habits of your child and promote a positive attitude towards literature.

As a special treat, we'll also be hosting a Book Swap after school. Bring along any gently used books your child has outgrown, and exchange them for something new. It's a fantastic way to refresh your home library while fostering a sense of community among Ilsham families.

We sincerely hope you can join us for this enriching and enjoyable workshop. Your participation and engagement are invaluable to us as we work together to cultivate a lifelong love of reading in our students.

If you have any questions or concerns, please feel free to contact us through the school office.

Thank you for your continued support.

Warm regards,

Mrs Rivolta
